## About This Plan

The Oakley offers the most space at Glenmont MetroCentre. With 2,392 square feet, this design provides ample space for entertaining or daily living. These townhomes are just steps away from the Glenmont Metro station, so while you'll have plenty of space at home, you'll also have easy access to miles and miles of entertainment, restaurants and shopping beyond your front door. The first floor includes a spacious kitchen and living area, plus an optional deck. You will have two bedrooms, two full bathrooms and a laundry room on the second floor. To top it off, a spectacular owner's suite and large rooftop terrace define the top floor. You can even add more living space by finishing the lower level. By choosing the Oakley, you can have your dream home in an exciting urban area.
