About This Plan

The secluded study of the Woodstock offers you a private retreat where you can read, work, or just get away from the demands of the outside world. Relaxing is easy in this handsome home. The luxurious master bedroom suite boasts a cozy sitting area; a large walk-in closet; and a master bath with a cathedral ceiling, a sunken tub, a dual-sink vanity, a shower with a seat, a linen closet, and a private toilet area. Should you wish to entertain, the two-story foyer welcomes guests impressively. The foyer opens to the columned formal living room and leads to the columned formal dining room. This home's spacious kitchen features a pantry and a center island, and is adjoined by a large breakfast area and a columned family room with a vaulted ceiling.
