About This Plan

The impeccably appointed gourmet kitchen of the stately Weatherstone sets the tone for this impressive home. It boasts abundant counter space, a large island with seating, a utility cabinet, and access to the back staircase; and it is adjacent to the morning room, which features a cathedral ceiling and plenty of natural light. The expansive family room includes a twelve-foot ceiling and a fireplace. The master bedroom is a true retreat - it features a sitting area with a columned entry; and a lavish master bath with a tray ceiling, a Roman tub, two vanities, a dressing area, a shower with a seat, a private toilet area, and a spacious walk-in closet with a folding table. Additional highlights include a welcoming main foyer with a tray ceiling, a rear foyer, formal living and dining rooms, a private study, a
