## About This House

The Buchanan is a family favorite floor plan that features an open concept layout designed to cater to today's modern lifestyle. Upon entering the home, you will notice that the Buchanan offers a light-filled study as well as an elegant dining room, which also connects to the kitchen through a butler's pantry. The expansive two-story great room creates a bright and welcoming place to gather. The upstairs accommodates four bedrooms, all with generous walk-in closets, including a voluminous owner's suite with a spa-like bath. To top it off, this home also comes with a finished lower level boasting a rec room.
