About This Plan

Inspired by historic style, this new Neo-Traditional design uses decorative details to add a nostalgic aura to modern-day structure. The Wright has a rear-entry garage, making the front of the home more attractive and creating an intimate, appealing streetscape. Upon entering the home, you will find a secluded study to the left, perfect for working from home. To the right is the formal dining room that connects to the kitchen. Walking through the foyer, you will enter the family room that also extends into an open and airy kitchen. The kitchen features a large island and offers the option to add extra cabinetry for additional storage space. Upstairs, you will enjoy four large bedrooms, one of these being a luxurious owner's suite. Plus, there is a second floor laundry room to help
