

KETTLER FOR LINES HOMES

Powered by newhomesguide.com

Base Price

\$779,900

3 Beds | 2 Baths | 2 Levels | 2 Garage

About This Plan

The spacious Kensington, designed to comfortably accommodate multi-generational living, for families of today or tomorrow. The open floor plan is accented by natural light; a staircase is strategically placed to allow unlimited visibility to the view beyond. Knee walls and columns define the family-sized Dining Room; separate enough from the Great Room to host a formal dinner party. The Kitchen, with oversized center island and pantry is adjacent to the Great Room. A first-floor Den/Home Office with available full bath can easily be converted to an extra bedroom. Upstairs, double-doors open to a grand Owner's Suite complete with Sitting Area, two walk-in closets and luxurious bath with two vanities. Three additional bedrooms, hall bath, with an available third bath and laundry center.
