About This Plan

Spacious and accommodating, the two-story Moonstone features an open-concept main floor and four charming bedrooms upstairs. Just off the entryway, you'll find a secluded study with a nearby powder room. Toward the back of the home, a great room flows into an inviting kitchen with a center island and adjacent dining room. Upstairs, a loft offers a versatile common area, and a sprawling master suite includes an attached bath and walk-in closet. If desired, opt for additional bedrooms in lieu of the study or loft, and add a covered patio.
