Base Price

**\$304,990**

**4 Beds | 2 Baths | 1 Half Bath | 2 Garage**

## About This Plan

The main floor of the popular Hemingway offers a formal living room, a spacious great room and an open dining area that flows into a spacious kitchen with a center island and walk-in pantry. Upstairs, you'll find a convenient laundry, a large loft that can be optioned as an additional bedroom, and a lavish master suite with an optional deluxe bath. Personalize this plan with a sunroom, fireplace, finished basement with bedroom and bath and more!
