## About This House

Love everything about this home. Located in the heart of Commonwealth Place, this townhome-style condo is situated on the top two levels. Prepping meals is a breeze in the kitchen, which features a large center island, Maple Pewter cabinetry, and ample counter space with gleaming Calacatta Ultra quartz. Upstairs, the expansive primary bedroom suite offers a large shower with modern linear white wall tile and a glass carrara shower floor. The impressive closet space will stun you. A living level office provides the space to work from home. The expansive rooftop terrace is ideal for outdoor entertaining with its panoramic views. The community is situated just steps away from shopping, dining, and entertainment. Schedule an appointment today to learn more about this stunning
