About This House

There's still time to personalize your interior finishes in this design-ready home. All structural options that accommodate this home have been added to the Lewinsville Modern Farmhouse now under construction, including the 4th-finished level with direct access to covered and open outdoor living spaces. The enormous gourmet kitchen makes a statement, boasting an oversized center island, upscale Jenn Air appliances and premium finishes, all open to main level living, providing ideal space for entertaining. Highlights of this home include 10-ft ceilings on the lower and main levels, thoughtfully designed flexible spaces making it perfect for studying or working from home, and the luxurious primary bedroom suite featuring a lavish bath sanctuary with frameless glass shower complete with rain
