About This House

There's no place like home, especially when your new home features a modern open-concept floorplan. A large kitchen with a center island is situated between an intimate dining area and spacious family room. Enjoy your morning coffee and a casual breakfast in the kitchen or gather in the adjacent dining room for a more formal meal in this versatile townhome. The private home office space is perfect for working from home. Head upstairs to the third floor where you'll find a private owner's suite with an en suite bath, double vanity and walk-in closet. Two additional bedrooms, a full bath and washer and dryer are conveniently located down the hall. Transform your lower-level recreation room into a guest bedroom with full bath, a den or extra entertaining space. Speaking of extra space, add
