## About This House

This elegant Portfield single-family home backs to conservation area with beautiful scenery you can take in from your maintenance-free deck. The main level is truly the heart of the home with a fabulous open concept kitchen, breakfast room and family room. This homesite boasts a beautiful morning room off the breakfast room that is perfect for formal dining or a cozy living space. Work-from-home is a breeze in the study located off the foyer. The second floor is connected by a fantastic loft space, great for family game nights or watching the big game. There are three secondary bedrooms right off the loft space, with access to a full bathroom. The convenient upstairs laundry room makes laundry day almost enjoyable. The second floor also boasts the luxurious owner's suite, with two walk-in closets.
