About This House

The Tessa is a cozy 2-3 bedroom, lower level condo that's truly one-of-a-kind. This low-maintenance condo has everything you need. It includes a 1-car, rear-load garage with storage areas, which makes getting in and out of your vehicle during inclement weather quick and easy, and gives you a place to keep your sports equipment, tools, and other items organized and easy to find when you need them. Just off the entryway is an inviting family room that opens into a breakfast area and open-concept kitchen. It s easy for friends and family to mingling and enjoying each other s company in this main level living space . The upper level is where you ll find a guest bedroom and large owner s suite, which has an attached private bathroom and two walk-in closets with plenty of room to store all your
