## About This House

Welcome to The Williams, a 2-bedroom, lower level condo that's truly one-of-a-kind. This low-maintenance condo has everything you need. It includes a 1-car, rear-load garage with storage areas, which makes getting in and out of your vehicle during inclement weather quick and easy, and gives you a place to keep your sports equipment, tools, and other items organized and easy to find when you need them.
