About This House

Urban deluxe style. The Rembrandt is an expansive ranch design that starts with an inviting foyer highlighted by a tray ceiling with views of the great room beyond. The well-equipped gourmet kitchen features a center island, large walk-in pantry, direct access to the formal dining room, an open view of the great room, and adjoining casual dining area with access to the outdoor living space. The secluded ground-level primary bedroom suite features an elegant tray ceiling, sitting area, dual walk-in closets and a spa-like primary bath with a free-standing tub, luxe glass enclosed shower, dual vanities and a private toilet area. Additional features of this home include three secondary bedrooms with walk-in closets and private baths, a versatile flex space, a convenient powder room, centrally located
