## About This Plan

You asked; we listened. You said you wanted a home that was open, but still functional; beautiful, but practical. You said you wanted the spaces to fit the way you live, even if the way you live changes. So we designed the Hudson. Make the first floor what you want it to be, with an open flex space that can become a library; a study that can become a first floor bedroom with a bath, a huge island and living space that can feature a covered porch. The second floor has an owner's suite that's like a personal spa with a flexible bath and two huge closets. Choose an extra bath, a loft, or a bonus room whatever you need, the Hudson can do it. Many areas come with a lower level that can be finished to have another bedroom, bath and wet bar. The Hudson comes in a variety of beautiful facades, all
