About This Plan

If you're looking for a place to live out your American Dream, this is it. There's a lot of room for personal touches with your own thoughtful decor or savvy use of options to add on to the base design. Your owner's suite is an in-house getaway with a large walk-in closet and spacious master bath, which you can upgrade to include a double vanity, deep tub and water closet. In fact, comfort is the theme of the entire home. Every room is meant for you to emerge from it relaxed, from the living room with its own kitchenette to the family room with a classic fireplace. Opt for a covered or screened porch to add a touch of outdoors without too much exposure to the open air. It's the perfect place to spend some quiet reflective time in the early mornings or dusky evenings.
