## About This Plan

Welcome home to our popular Cypress III. The gracious foyer greets you with an easily accessible powder room, and convenient coat closet. The dining room is perfect for holiday gatherings and dinner parties. Prefer a private study? Choose to add double doors. The kitchen, breakfast area, and family room expand from the hallway and are ideal for entertaining large and small crowds! You'll love the kitchen's corner pantry, and window looking out to the backyard. Add a fireplace to the family room, an optional kitchen island, or choose a gourmet kitchen fit for a chef! The attached garage opens to a mud room, perfect for dropping shoes, back packs and sports gear. Relax upstairs in the owner's suite with walk-in closet, private bath and dual vanities. Add a luxurious tray ceiling or choose a deluxe
