Base Price

**\$259,990**

**4 Beds | 2 Baths | 1 Half Bath | 2 Garage**

## About This Plan

The Oakdale II, one of our most popular homes, makes a big impression with a manageable amount of space.. Featuring two distinctive first floor layout options- a traditional arrangement with formal living/dining rooms or the creative alternate layout which is an at-home-chef's dream. Explore the plans to see these truly exciting options. The second floor offers a fabulous owner's suite with dual walk-in-closets and exquisite owner's bath. The three additional bedrooms each boast a walk-in-closet and generous size rooms.
