About This Plan

If space is what you are looking for, the Jackson is for you! This spacious floor plan offers three bedrooms and a flex space all on the main level. Add the optional loft for extra living space, a full bathroom, and spacious bedroom. The kitchen island is the focal point, an entertainers dream. Enhance your kitchen and living areas by adding a gourmet kitchen, fireplace, or even a screened porch for those cool, summer nights. Ask about our move-in ready homes or To Be Built options offered in the Jackson floorplan!
