Homesite #152 The Arcadia at Homesite #152 is expected to be ready for a February move-in! This four-level, end unit townhome features a full brick front, three bedrooms, three full and two half baths, and a one-car garage. Homesite #152 also offers an open concept main living area with wide plank flooring, a designer kitchen with granite countertops and a generous center island, a lower-level recreation space with full bath, and a luxurious owner's suite with tray ceiling and spa-like en-suite bath. The optional morning room expansion has been included for this homesite, adding a sitting room to the owner's suite and extra space to the main and lower levels. This home even has the optional fourth floor, which opens into a huge loft bonus room with outdoor rooftop terrace.
