Move before the end of the year! Still time to select designer options! Opening to the family room at the back and the great room at the front, the kitchen is the heart of this delightful townhome design. Chat with guests while cooking up a feast or take a quiet moment for yourself at the island breakfast bar. Downstairs, your attached one car garage opens into the foyer while the included rec room provides space for an office, craft room, man cave or teen retreat. The top level offers a generous owner's suite with private bath, two additional bedrooms, a hall bath and laundry.
