Opening to the family room at the back and the great room at the front, the kitchen of the Admiral model home is the heart of this delightful townhome design. The home offers the perfect place to chat with guests while cooking up a feast or take a quiet moment for yourself at the island breakfast bar. The fireplace warms the room on those chilly evenings, and the deck offers the perfect hangout for warmer days. Downstairs, your attached 1-car garage opens into the foyer while the rec room provides space for an office, craft room, man cave, or teen retreat. The top level offers a generous owner's suite with private bath, 2 additional bedrooms, a hall bath and laundry. Schedule your tour today!
