The Bristol offers the convenience of one level living with grand style and openness! The open kitchen layout overlooks the living room, dining room and a covered porch. It is equipped with abundant counter and cabinet space, along with a walk-in pantry. A convenient flex room with beautiful glass doors is the perfect space for a home office or a quiet place to read. If additional space is what you need, add the optional loft featuring a flexible open area, a bedroom, storage, and full bath - the perfect retreat for guests.
