Introducing The Cameron I floorplan at Arlington Row, a stately three-level townhome unlike any other in the area! You'll be greeted by a handsome brick front exterior and airy foyer which opens up to a recreation room (the perfect place for a private study). Or opt for a bedroom on the lower level for guests. Upstairs, entertain in style from an open-concept main level with great room, dining room, and island kitchen. Retreat to an owner's suite with walk-in closet and spa-like bath and have your choice of either two or three total bedrooms on this level. Come and go with ease from your 2-car garage. \*Prices shown generally refer to the base house and do not include any optional features.
