The Durham is a simple but charming home that offers four bedrooms on the second level. The owner's suite has a full bathroom complete with a double bowl vanity and a huge walk-in closet. The spacious second full bathroom also comes with a double bowl vanity and is located across from the laundry room. On the first floor, the island in the kitchen is great for the close family dinners or the entertainment of a small get together. The kitchen also includes a walk-in pantry and oversees the living room that leads to the foyer. The powder room is privately positioned in the front of the home, next to the perfect little coat closet, to greet guest under the awning of this new home.
