By Insight Homes

PLAN

\$681,900 3 Beds | 2 Baths | 1 Half Bath | 2 Garage

The unique Lukner model is a "garage rear" two-story home offering 3 bedrooms and two and one-half baths. Everything you need for first floor living with a first-floor owner's suite featuring a tiled bath and dual closets, an expandable kitchen, a separate office, and large living & dining areas with options for outdoor living such as a screened porch, patio, or decks. Your friends and family will enjoy the second floor with a closed-in loft, 2 bedrooms, and a full bath.
