PLAN

\$534,990 3 Beds | 2 Baths | 2 Garage

The Fairhaven is a stunning single-family home offering majestic main-level living. The arrival center off the 2-car garage keeps things organized. An island is the centerpiece of the gourmet kitchen, which opens to dining and a great room, as well as outside to a breathtaking covered porch. 2 spacious bedrooms and a full bath provide quiet comfort. In the grand owner's suite, luxury knows no limits, with decadent double vanities and a jaw-dropping dual walk-in closet. Enjoy more living space plus an optional guest suite and wine bar by finishing the basement. Find it all in The Fairhaven. *Prices shown generally refer to the base house and do not include any optional features. Photos and/or drawings of homes may show upgraded landscaping, elevations and optional features and may not
