PLAN

\$514,990 3 Beds | 2 Baths | 2 Garage

The Edgewood single-family home is designed for main-level luxury living. Enter from the inviting front porch or through the 2-car garage into a foyer that leads to two bedrooms and a full bath. The stunning great room flows seamlessly into the gourmet kitchen and dining area. Gather around the large island for lively conversation or spread out and enjoy moments with family and friends. Your luxurious owner's suite is just steps away, and features a spectacular double vanity bath and two enormous walk-in closets. Finish the lower level and experience all The Edgewood has to offer. *Prices shown generally refer to the base house and do not include any optional features. Photos and/or drawings of homes may show upgraded landscaping, elevations and optional features and
