PLAN

\$562,990 5 Beds | 4 Baths | 1 Half Bath | 2 Garage

If you're looking for a home that combines the quality and style of a classic with a modern sense of design and layout, look no further than the Versailles. The spacious and light-filled foyer welcomes you with a sense of openness. A living room provides a formal reception area; or choose the French-door study for a work-from-home aesthetic that's never stuffy. A dining room is defined by a column, so it retains its formal appeal without feeling closed off. The first floor hall area draws you back towards the rear of the home, where an open plan, two-story family room, kitchen and dinette form today's new social triangle so that you never feel too far away from the action. The kitchen is generous and open over a large rectangular island with plenty of seating and prep area. A service wing off
