The Roanoke is a stunning home with maximum curb appeal. The front porch continues the welcoming tone as it leads you into the grand foyer flooded with space and light. This beautiful home is also practical for modern living. Flex space off of the living area can serve as an office or a coat drop and the family-entry off of the garage, keeps the chaos of cleats, muddy paws and backpacks from taking over your home. Upstairs, you'll escape to your owner's bedroom, complete with the walk-in closet of your dreams. At Fawn Lake, the finished lower level rec room is included for even more living space. *Prices shown generally refer to the base house and do not include any optional features.
