Smart design and light-filled spaces complete the Lehigh at Stone Hill Meadows. The inviting exterior opens to a spacious foyer that can take on any task playroom, living room or office. The open kitchen hosts a large island and walk-in pantry and connects to the dining and family room. Upstairs, a loft makes an ideal hang-out spot or bedroom. The owner's bedroom offers a cozy getaway with walk-in closets and private bathroom. Many areas even offer a lower level. No need to sacrifice style for sensibility here. *Prices shown generally refer to the base house and do not include any optional features.
