PLAN

\$619,990 4 Beds | 3 Baths | 1 Half Bath | 2 Garage

The Brookhaven single-family home blends main-level living with style and elegance. Enter the foyer from the stately front porch. Versatile flex space can be used any way you like, even a bedroom. The magnificent floor plan truly opens up in the gourmet kitchen, with its large island overlooking a dinette and stunning great room. An arrival center off the 2-car garage controls clutter. Your owner's suite exudes luxury, with a sprawling walk-in closet and huge double vanity bath. Upstairs, a spacious loft leads to 3 spacious bedrooms and 2 full baths. You'll be amazed by The Brookhaven. *Prices shown generally refer to the base house and do not include any optional features. Photos and/or drawings of homes may show upgraded landscaping, elevations and optional features and may not
