

**Kindleton**  
By Lennar Maryland

PLAN

**\$584,990 3 Beds | 3 Baths | 2 Garage**

This two-story home is the largest plan in this collection. On the first floor is a formal dining room, mudroom and open concept living area with sliding glass doors that connect to the backyard or optional patio. There are three bedrooms in total and a loft for more shared living space on the second floor. An optional finished lower level adds versatility.
