

Huntington Crossing

By Lennar VA-DC Metro

PLAN

\$704,990 3 Beds | 2 Baths | 1 Half Bath | 1 Garage

This new townhome combines comfort and style, offering three floors of living space and a basement garage. The first floor features an open-plan layout connecting the Great Room, dining room and modern kitchen. The second floor hosts two restful secondary bedrooms, while the third floor features an owner's suite with a tray ceiling, luxe bathroom and large walk-in closet.
