The Hancock E grand townhome delivers sophisticated luxury. Enter on the lower level, where a two-car garage and the foyer both lead to a recreation room.

Upstairs, the open concept is ideal for entertaining, from the gourmet infinity kitchen island to your great room overlooking a sky lanai. On the floor above, 2 bedrooms and a full bath complement your luxury owner's suite. Here, a large walk-in closet and double vanity bath are designed to delight. An optional 4th floor offers a loft or guest suite with a gorgeous balcony. Discover all The Hancock E has to offer. *Prices shown generally refer to the base house and do not include any optional features.
