PLAN

\$665,921 4 Beds | 3 Baths | 1 Half Bath | 2 Garage

The Reston is an open concept entertainer's dream. As you enter the home the massive 2 story window filled living room grabs your attention as it flows into the dining and kitchen area. This floor plan has a first-floor owner's suite with walk-in closet and spacious bath, as well as a second-floor owner's suite. The second floor boasts an open-walled catwalk that takes you to more bedrooms and an open lounge area for the kids. The light and airy kitchen has a huge shelved pantry and a center island with storage, and a window at the sink that overlooks the backyard.
