PLAN

\$799,990 3 Beds | 2 Baths | 1 Half Bath | 2 Garage

Style and comfort are the theme of this 3-bedroom single-family home. There are plenty of options available for entertaining family and guests in the open-concept gourmet kitchen and adjoining family room. With the kitchen, eating area and family room all together, cooking and gathering become shared experiences. The Scarlett's open floor plan offers a sense of spaciousness that divided rooms lack. When it's time to relax, enjoy the cozy fireplace or retreat to the first-floor owner's suite with an en-suite bathroom and spa like shower. Upstairs you'll find a convenient flex space that can serve as a family room, work-from-home space or opt for a fourth bedroom. There are two additional bedrooms both with walk-in closets and a shared hall bath. Your family will enjoy the additional space offered
