PLAN

\$509,990 4 Beds | 2 Baths | 1 Half Bath | 2 Garage

This new two-story home design combines comfort and style. The first floor features an open design with a kitchen with a center island opening to the breakfast room and Great Room. The formal living and dining rooms are situated at the front of the home. Upstairs is a centrally located loft. The owner's suite features a private bathroom and large walk-in closet. Three secondary bedrooms, all with their own walk-in closets, and a hall bathroom complete the second floor. This home also includes an unfinished basement that can be completed for additional living space.
