PLAN

\$479,990 3 Beds | 2 Baths | 2 Garage

Tucked off the foyer of this single-level home is a secondary bedroom, home office/optional bedroom and convenient bathroom nestled between. The main living area of the home includes the open-concept dining room, Great Room and kitchen with access to the rear covered porch. The owner's suite is located in a back corner, offering privacy along with two walk-in closets and an en-suite bathroom.
