By Miller & Smith

PLAN

\$912,990 3 Beds | 3 Baths | 2 Garage

The Verona Model has a sophisticated contemporary design with an earthy intimate feel. Using woods, natural tiles, and a neutral color palette together create a warm, tailored interior. Contrasting pops of black and deep grays bring a masculine touch while lush velvets and textured fabrics soften the look. This model has a stylish and alluring design, that everyone will want to revel in.
