

Woodlands at Plum Creek

By Koch Homes

PLAN

\$779,900 4 Beds | 2 Baths | 1 Half Bath | 2 Garage

The Devonshire features a sought after first-floor owner's suite with optional 3' extension and possible walk-out to patio or garden. An open kitchen with gourmet appliances and over-sized island looks into a spacious family room with gas fireplace and an abundance of windows. The two-story foyer and formal dining room add to the elegance of this home, while the home office provides privacy and function. The second floor features three guest rooms (or two large en-suites) for when friends or family come to visit. The basement can be finished to add over 1,400 square feet of rec room space and offers an optional exercise room. 2 and 3-car garage options are available.
