**\$369,990 3 Beds | 2 Baths | 1 Half Bath | 2 Garage**

The Coastal floorplan offers the best in a coastal lifestyle! This home offers an expansive open concept in the living, kitchen and dining rooms, with 11 foot ceilings and oversized windows offering great views and plenty of light! With up to 5 bedrooms and 3 and a half bathrooms, there is ample room for hosting and entertaining family and guests. The Owners Suite and 2 additional bedrooms are located on the main level, and the optional second floor adds two additional huge bedrooms and full bath on the second floor. You can customize this home with a gourmet kitchen, fireplace, screened porch, sunroom, or an office to make it uniquely your own.
