PLAN

\$314,990 3 Beds | 2 Baths | 2 Garage

Our newest plan, The Azalea, is perfect for the chef and the family! With 10' ceilings you are sure to feel right at home in this spacious floor plan! Wake up and have breakfast at the 11' curved kitchen island, or relax in the breakfast nook that leads to your spacious covered porch. Three bedrooms and two full bathrooms are located on the main level of living. If you often have friends or family to stay over, the loft is always an option for guests. Contact a D.R. Horton sales representative today to learn more about this beautiful floor plan!
