PLAN

\$989,990 4 Beds | 3 Baths | 1 Half Bath | 2 Garage

The Longwood single-family home is where classic craftsmanship meets, innovative design. Enter the airy foyer, which opens to the dining room. The kitchen is a gourmet paradise, with its walk-in pantry, island, and abundant cabinet and counter space. In the family room, add a fireplace for a cozy focal point. A tucked away family entry near the 2-car garage leads to a quiet study. Upstairs, a large landing leads to spacious bedrooms with walk-in closets and access to a private bath. Your luxury owner's suite features two huge walk-in closets and a dual vanity bath. You'll love The Longwood. *Prices shown generally refer to the base house and do not include any optional features. Photos and/or drawings of homes may show upgraded landscaping, elevations and optional
