You'll know as soon as you've walked into the Monticello II that you've come across something special. The grand foyer greets you with an elegant curved staircase winding up to the second floor. To each side are the spacious Living Room and Dining Room for formal entertaining. Add the optional Conservatory or side Bedroom to extend your space. A Study, featuring double-doors, provides a private yet accessible place to work from home. An enormous two-story Family Room, set off by an optional coffered ceiling, welcomes you with a cozy fireplace. The Dinette flows into a gourmet Kitchen featuring a walk-in pantry and huge center work island. Don't forget to add the Morning Room for even more light and room for entertaining. An optional built-in hutch and butler's pantry provide more
