

Summer Creek
By Gulick Group

PLAN

\$1,849,000 4 Beds | 3 Baths | 1 Half Bath

The Grayson has the street appeal and features of a manor home, placed carefully into a more manageable space. Perfect for a modern growing family looking to relocate, or someone looking to downsize without losing the luxurious features to which they have grown accustomed, it combines open common spaces, an eminently livable floorplan, and an impressive elevation.
