About This Community

Ready to stop rendering and start investing in your future? Metro Square in the heart of Herndon could be perfect for you. This collection of two level urban-style condos is just steps from the Herndon Metro Station and future retail, shopping and dining. Located close to W&OD Trail, your new low-maintenance condo offers an onsite pocket park and a bike trail to maintain an active lifestyle. In addition, Haley Smith Park, with multiple sports fields, a basketball court, and picnic areas, is right across the street. Featuring The Preston, a 3 bedrooms upper level condo or the lower level Bradshaw with 2 bedrooms . Both condos feature 2 levels of open living space, private garages, spacious gourmet kitchens, owner's suites with large walk-in closets, bedroom-level stacked laundry, and a deck (lower level) or deck and rooftop terrace (upper level). As a new condo owner at Metro Square in Fairfax County, you'll wonder how you ever thought about living anywhere else.
