About This Community

The Haven is quietly nestled above National Harbor's downtown area and the Potomac River, but it's just steps from more than 160 shops and over 40 dining experiences. Inside you discover all the peace, quiet and luxury you could ever want.

Make a terrific impression when you meet up with friends in one of The Haven's many public spaces. There are wide open areas for great get-togethers, and cozy spots for a quiet hideaway. Lounge by the pool, get toned at the fitness center, or grill in the courtyard with neighbors.

At The Haven, there is a home that fits perfectly with your lifestyle. With a wide variety of, 1-, 2-, and 3-bedroom home types to choose, many homes offer expansive views of the Capital Wheel and the Potomac River while every residence comes standard with first class finishes and secure underground parking.
