About This Community

An important part of the award-winning master planned development of Stone Ridge is the community of Stone Mill Corner. Here, architecturally distinct luxury condominiums offer the privacy of a townhome wed to the value of multi-family living. Within the development are amenities including a pool, clubhouse, tennis courts, fitness center, and hiking and jogging trails, while the Stone Ridge Marketplace offers plenty of shopping and dining a short walk away. With Route 50 running right by Stone Ridge, access to the Dulles Corridor and into greater DC is fast and easy.
